INFORMATION COLLECTION AND USE

Burke Athletic Clubs collects registration information solely for use by our organization. We will not sell, share, or rent this information to others in ways different from what is disclosed in this statement.

1998 CHILDREN'S ONLINE PRIVACY PROTECTION ACT (COPPA)

COPPA was enacted to protect children, especially children under the age of 13, using the Internet. Burke Athletic Club supports this act and hopes that all parents work with their children to help them understand safety on the Internet. If you wish additional information on this act a very helpful link is [Kidz Privacy](#).

The terms of COPPA do not specifically apply to this site because the registration forms used on this system are intended for use by parents or guardians of children participating in youth sports programs. We do not expect that any children would use this site since credit card payment and parental consent is required to complete a registration form.

However, since we are collecting sensitive information about children, we have taken appropriate precautions to protect this information both online and offline. Please see our security policy (below) for more information on how this information is protected.
